SUMMARY

Enthusiastic Front-End Developer with a robust foundation in data structures and C++. Expert in algorithms and logical problem-solving, I excel in creating seamless user experiences.

SKILLS

Languages: C++ , Javascript , SQL, Html

Technologies: Git , GitHub , Jira Tool

Frameworks: ReactJs , Tailwind CSS

PROJECTS

React Js , Rapid API **WhoFit**
Created a dynamic React app using Material-UI, React Router, and Fetch API to fetch exercise data for different body parts. The app provides users with similar exercises and corresponding YouTube videos for a comprehensive workout experience

React Js **Spotify Clone**
Designed and developed a cutting-edge Spotify clone app using React 18, Tailwind, Redux, and Rapid API. This project demonstrates my proficiency in crafting intuitive user interfaces, seamless state management, and efficient integration of external APIs.

Yolo V8 **SafeNest**
Safety system using a sensor that detects when an infant moves out of a predefined radius on a bed using Image Acquisition , Yolo V8 , Rasberry Pi Camera .

EDUCATION

2020-Present

ABES EC

B.Tech In Electrical Engineering Domain

2017- 2019

Navyug Convent Sr. Sec School

Sr. Sec School

VOLUNTEER

GFG ABES EC **Overall Management Lead**
Led a dynamic team of 40 members as the overall management lead, orchestrating successful execution of diverse technical events.

Salaah The Mentor Community **Executive Head**
Guided and empowered a mentor community, steering the organization of mock interview drives that benefitted over 1200 students, enhancing their professional readiness.

Genero ABES **Head PR**
As Head of PR Relations for Genero, facilitated seamless coordination to ensure the smooth execution of the college fest, enhancing overall event experience and communication.

TedX ABES **Treasurer**
Served as Treasurer for the TEDx edition at our college, meticulously managing financial affairs and contributing to the successful realization of an intellectually enriching event.

CERTIFICATIONS

CodeHelp **Certifiaction In DSA**

Hackerrank **Certification in basic SQL**

Learnys **Certification in Problem Solving**
